

Altec Capital | INSURANCE PROGRAM

The Altec Capital Insurance Program offers a simple, single-source solution for all your fleet insurance needs. Our portfolio of products, developed specifically for Altec Capital customers, is designed to cover your entire fleet - not just Altec leased or financed equipment. We are focused on making the insurance buying process easy and efficient and providing you with competitive rates and the unparalleled customer service you deserve.

COVERAGES AVAILABLE INCLUDE :

Auto Physical Damage | Auto Liability | Contractor's Equipment Inland Marine

Your fleet is valuable and is a key component to the success of your business. The Altec Capital Insurance Program brings together all the elements of a comprehensive total transportation program to help you minimize your downtime and preserve important customer relationships.

The program is available exclusively to Altec Capital customers and offers the comprehensive coverage you need to protect your entire fleet including leased and/or financed Altec and non-Altec equipment.

**Cost-effective, comprehensive fleet insurance.
Simplified.**

Get a quote. Here's how.

Call our toll-free number: 888/334-5106. Our program sales agent will send you an application to complete or can complete it with you over the phone in a few minutes.

We'll have a no-obligation quote and proposal ready for you within a few days. Rush quotes are available upon request. Upon your acceptance of the quote and proposal, coverage can be bound the same day.

Program Features:

- Convenient policy premium payment is billed and collected on your Altec Capital monthly billing statement
- Coverage you need at a competitive price
- Program administered by a proven leader in the transportation insurance industry for over 21 years
- Top-rated insurance carriers by A.M. Best
- Dedicated account management team with expertise in the leasing industry
